NOEMUS ROSADO

Israelite Patriarch

He is said to have been the first man to become inebriated with grapes.

GRAPES VARIETIES:
100% Garnacha

This wine was made with organic Garnacha grapes using free-run methods. After 24 hours' maceration, the wine was cooled down to 13 ºC. After debourbage, the wine fermented for 15 days at a controlled temperature to ensure all fruity aromas and colour were maintained. After a second debourbage, the wine was bottled. Lovely strawberry-pink with good intensity. Fine aromas provide just the right blend of fruit and floral aromas. Good structure in the mouth, with a tangy touch that provides a revitalizing freshness. This wine is ideally suited to accompany cold cuts, salads or rice and pasta dishes, and as an aperitif.

Ideal drinking temperature: cool but not cold, 8-10º C.
Recommended drinking: within two years after harvest.
