

## RED WINE

### - GIVRY PINOT NOIR “Les plants sont fleuris” 2017 -

#### Cépages

100 % Pinot Noir.

#### Terroir

Alluvial clay facing southwest near town of Givry

#### Viticulture

These vines have been cultivated for several generations using organic agriculture. We pay attention to the earth, the sky and the fruit of our vines, without any use of synthetic chemical products. Hand harvested in small boxes.

Avg. Age of Vines: 50 years.

Avg. Harvest per Hectare: 45 Hl. per Ha.

#### Vinification

Three weeks in concrete vats, on indigenous yeasts without added sulphur.  
Temperature controlled pre-fermentation maceration

Moderate cap-punching

#### Aging

100% French Oak, with 15% new barrels

#### Annual Avg. Production

3,500-4,500 750ml bottles. Small amt. of Magnums

## Tasting Note

Delicate ruby-red colors

Aroma of crispy cherries

Supple and intense and with long generous finish.

## Aging potential

Serve upon release and up to 7 years after vintage

## Pairing ideas

- . Pork Roast
- . Poultry Wok
- . Rabbit in Mustard Sauce
- . Tuna Carpaccio
