CLOSURE
STELVIN

ALCOHOL
12,0 % VOL.

SWEETNESS
2,7 G/L

ACIDITY
7,2 G/L

MATURATION
STAINLESS STEEL

Next to Riesling our whole attention goes to the Grüner Sylvaner. In the Wonnegau Sylvaner has a really long tradition. Whereas the Riesling has fine fruit aromas, the Sylvaner has really nice floral notes. In the nose you find fresh grass, hay and hints of thyme. On the palate, the wine is slim and really drinky. The acidity is balanced. Our Sylvaner is a perfect food match, because of the varied aromas.
