

COTURRI WINERY

2001 **Pinot Noir** Yorkville Highlands

Lost Creek Vineyards

This is a medium-bodied, ruby colored wine made from grapes in the Anderson Valley area of Mendocino near the coast. It is a cooler climate and perfect location for Pinot Noir. This has a classic Burgundian nose that is rustic with smells of damp earth and mushrooms. It is simply delicious on the palate, smooth and seductive. 15% alcohol. 470 cases produced.
