

Casina di Cornia Chianti Classico

Why it's important:

A traditional style Chianti Classico made from 100% organically-grown grapes, and better for your body

- Produced in a small, organically-farmed estate in the heart of Tuscany
- The property also produces Reserva and Super-Tuscan bottlings
- Hand pruning reduces the average yield to far below most Chianti estates
- Grapes are fertilized and protected from pests naturally – no synthetics
- Strict organic standards produce healthier soil and better tasting wines

Grapes: 100% Sangiovese

Region of origin: Chianti Classico DOCG, Tuscany, IT

Taste: Classic dried cherry fruit flavors and a spicy, dry finish

Pairing: Pasta w/red sauce, grilled meats, mushrooms
