

Fasoli Gino Soave “Borgoletto”

Why it's important:

In the last decade, Soave has become a much better-made wine, and is attracting a whole new audience of wine enthusiasts. This is a small-production wine made from organically-grown grapes

- Hand-harvested from organic vineyards in the Soave zone of the Veneto
- Certified organic since 1990
- Naturally bright acidity makes this an extremely food-friendly wine
- Grapes are fertilized and protected from pests naturally – no synthetics
- Strict organic standards produce healthier soil and better tasting wines

Grapes: 100% Garganega

Region of origin: Soave DOC, Veneto, IT

Taste: Crisp, clean and lightly fruity, with flavors of lemon, stone fruit, and almonds
