

## Jacques Frelin Crozes Hermitage

### Why it's important:

Jacques Frelin is a central figure in French organic viticulture.  
His wines are consistently high in quality.

- Classic Northern Rhone Syrah with a rich mouthfeel
- Sourced from a single property on the slope of Crozes Hermitage
- The wine was aged eight months in new oak barrels, fined with egg whites and lightly filtered before bottling
- Frelin has been farming organically since the early 1980s
- Grapes are fertilized and protected from pests naturally – no synthetics
- Strict organic standards produce healthier soil and better tasting wines

**Grapes:** 100% Syrah

**Region of origin:** Northern Rhone Valley, FR

**Taste:** Complex flavors of dark plum, earth and spice, with notes of licorice, chocolate and violets

**Pairing:** Beef, lamb, and other roasted meats
