

## Perlage “Terre di Chieti” Bianco

### Why it's important:

A terrific entry-level Italian white wine made from organically-grown grapes.  
This is truly a “food wine” that will appeal to everyone

- Perlage is a family-run winery specializing in wines from organic grapes
- A light-bodied white at a great price that goes with nearly any food
- Similar to Pinot Grigio, but a bit lighter and more versatile
- Becomes richer and more expansive as it warms up
- Grapes are fertilized and protected from pests naturally – no synthetics
- Strict organic standards produce healthier soil and better tasting wines
- Supplier support /special case pricing possible
