

Organically Grown Grapes

**Chateau de Boisfranc**  
*Beaujolais*

Only the oldest vines (up to 60 years old!) were used for this “Springtime Beaujolais”. It was initially pressed by foot in the oldest Burgundian tradition, for a long, gentle maceration. Taste its rich berry fruits, enhanced by aromas of vanilla and spices! It is a wine of pleasure, to be enjoyed on its own, with light meats or cheeses, or over red berries for a memorable dessert!
